

## Installation Guide

### Classroom Tables WT802CR

NSF-722628-VFS Double User Table  
**Nesta™ Laptop Tables**  
Nest for storage, quickly deploy using modular wiring.

Nesta™ table widths are sized for DaisyLink™ Modular Wiring

DaisyLink™ permits fast deployment and storage. Supports laptops in the classroom with glitch-free power distribution. No more daisy-chaining!

Nesta™ Laptop Tables may be purchased without the Vilia™ power/data ports and DaisyLink™ modular wiring system, so that you may receive the flexibility and storage benefits of the table when power and data wiring are not required.

NSF - 600000 VFS  
**Nesta™ Table with Vilia™ & DaisyLink™**  
60" W x 30" D x 28" H  
NSF - 600000 000 (table only without Vilia)

NSF - 600000 VFS  
**Nesta™ Table with Vilia™ & DaisyLink™**  
60" W x 30" D x 28" H  
NSF - 600000 000 (table only without Vilia)

**Nesta™ Laptop Tables**  
Simply plug together. Your classrooms will be pre-wired for the Vilia™ and DaisyLink™ modular wiring system, so power cables just plug in and tables connect together.
