	Kitchen Exhaust	11%	16%
	Fridge Appliances s	15%	15%
	Microwave Appliances	10%	14%
	Oven Appliances	17%	11%

This data may include industry averages, ranges or other broadly based information that makes conservative assumptions. This document will be reviewed and updated periodically and is subject to change without notice.

Although not specific to this product, for example, many of our products can be blanketing shipped or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.
